IN ACCORDANCE WITH 37 C.F.R. §§ 1.97-1.98

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

This Information Disclosure Statement is filed pursuant to 37 C.F.R. § 1.97(c) and includes a certification Statement in accordance with 37 C.F.R. § 1.97(e). The certification Statement applies to all items listed on the attached Form PTO-1449 (2 pages). Because this Information Disclosure Statement is filed prior to receipt of a First Office Action on the Merits for the above-captioned application, a fee for filing this statement should not be due. If, however, it is determined that a fee is due, any fees that may be due in connection with filing this paper may be charged to Deposit Account No. 50-1213.

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Office of all references known by Applicant or Applicant's representative that may be material to the examination of the subject application, Applicant's representative hereby provides this Information Disclosure Statement that is prepared in accordance with 37 C.F.R. §§ 1.97-1.98. Form PTO-1449 (2 pages) and copies of the cited documents are provided herewith in connection with the above-captioned application.

The documents listed on the attached Form PTO-1449 are in the English language. The cited references that comprise issued U.S. patents and publications

are not attached, per the Notice of waiver published in the Official Gazette on August 5, 2003. All of the documents were cited in a communication from a foreign patent office in connection with a counterpart foreign application not more than three months prior to the filing of the attached Information Disclosure Statement. A copy of the communication, International Search Report for International PCT Application PCT/US03/41041 (item N), is also provided. In accordance with the requirements of 37 C.F.R. § 1.98, as amended effective March 16, 1992, no further explanation of the listed items is necessary.

Although these documents are made known to the Patent and Trademark Office in compliance with Applicant's duty of disclosure, such disclosure is not to be construed as an admission by Applicant or Applicant's representative that any of the references, singly or in any combination thereof, is effective as prior art against the subject application. In accordance with 37 C.F.R. § 1.97(h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. § 1.56(b) exists.

Applicant respectfully requests that the Examiner review the references and make them of record in the file history of the above-captioned application.

Respectfully submitted,  
HELLER, EHRMAN, WHITE & McAULIFFE LLP
